

Dining Options

Whistler is not light on dining options and choosing from the nearly 100 restaurants available in the village can be a daunting task. We've broken down, what we feel are the finest, into a list with 5 Categories- Fine Dining, Ethnic, Family Oriented, Fast Food/Whistler on the Cheap, and Deli/Cafe. Our personal favorites are *. **We would strongly suggest making reservations a month ahead of time for major holiday periods (Christmas, New Years, Martin Luther King (Jan. 17th-21st), Presidents week (Feb.15th-23rd), and Easter Week (March 23rd-31st).** For XMAS and New Years Eve we'd recommend making your reservations immediately.

Fine Dining

Bear Foot Bistro – 604.932.3433

This experience is a must do for fine dining. Make sure you take a tour of the wine cellar, the champagne selection is second to none and some of the 16,000 bottles of wine go back to the early ninties.

“Fine Dining at it’s best”. The Zagat Guide. Rated one of the top 10 restaurants in all of Canada.
